

Multi-Sector Skills Recruitment Mission to Utrecht, The Netherlands, February 7th and 8th, 2015

The Nova Scotia Office of Immigration is committed to addressing your workforce needs.

In February 2015, we will lead a multi-sector skills recruitment mission to the Netherlands. Western Europe continues to be a great source of skilled immigrants for our Provincial Nominee Stream.

We are currently seeking employers, business organizations and community partners to participate in the mission. For this trip, our sectors of focus will be: Engineering, Energy, Ocean Technology, Health, Aerospace & Defense, Information Technology/Gaming, Financial Services and Life Sciences.

Partner organizations will accompany us to the **Emigratiebeurs Show**, in Utrecht, on February 7 and 8, 2015 and receive exhibit space in the Province of Nova Scotia section of Canada's "East Coast" stand.*

Other benefits will include:

- Online exposure of your job postings to thousands of prospects on the "Jobs at Expo" page at <http://www.emigratiebeurs.nl/en/visitor/jobs/>
- Access to individuals who are responding to your job postings and the ability to interview them at the show.

To express interest or register, please contact:
