

Multi-Sector Skills Recruitment Mission to the UK and Ireland, March 21 -22 and 25, 2015

The Nova Scotia Office of Immigration is committed to addressing your workforce needs.

In March 2015, we will lead a multi-sector skills recruitment mission to London and Dublin. The UK and Ireland continue to be great sources of skilled immigrants for our Provincial Nominee Stream.

We are currently seeking employers, business organizations and community partners to participate in the mission. For this trip, our sectors of focus will be: Engineering, Energy, Ocean Technology, Health, Aerospace & Defense, Information Technology/Gaming, Financial Services and Life Sciences.

Partner organizations will accompany us to two **Working In Shows**, in London and Dublin, on March 21 - 22 and March 25, 2015 and receive exhibit space in the Province of Nova Scotia pavilion.*

Other benefits will include:

- Online exposure of your job postings to thousands of prospects on the "Jobs at Expo" page at <http://www.expo-Canada.com>
- Access to individuals who are responding to your job postings and the ability to interview them at the show.

To express interest or register, please contact:

Frances.Wolfe@novascotia.ca

The registration and job posting deadline is February 13, 2015.

**Note: Participation in Working In will be free. However, partners will be responsible for covering their own travel fees (i.e. transportation, lodging and all personal expenses).*
