

## **Nova Scotia Labour Market Priorities for Physicians Application Guide Changes**

### **As of November 16, 2022**

- We're switching to the 2021 version of the National Occupational Classification (NOC). This means that:
  - the NOC 2016 skill type and skill level structure (NOC 0, A, B, C and D) will be replaced with a 6-category system representing the training, education, experience and responsibilities (TEER) needed to work in an occupation
  - 4-digit occupation codes will become 5-digit codes

### **As of April 16, 2020**

- Settlement Funds section updated to reflect recent federal guidance on funds required on arrival. Also clarified requirement for applicant's available funds and income to be enough to support all dependents, even if they do not come to Canada with the applicant.
